

DISTRICT OPERATIONS LTD
WHERE INTEGRITY IS A PRACTICE

Guide to use the Location reserved area

VERSION 1.0

District Operations has developed a dedicated web area that allows Locations to manage various procedures related to the implementation of the JobPlus program.

The Location in this reserved area can:

- View the informations present;
- Create new reports;
- Change reports;
- Cancel the reports until they are formalized.

The procedures managed by the reserved area are as follows:

- Worker activity planning;
- Bonus management;
- Disciplinary Reports management;
- Incident Reports management.

For any information or specific needs, you can contact District Operations directly at the following addresses:

eric@districtoperations.mt

rita@districtoperations.mt

Have your password? [Click here to login](#)

To recover your password, enter the following information:

- **Select Type** : select the Location item;
- **Email** : enter your registration email address;

Select the ***Send request button*** to receive your registered password via email.

2. Homepage

The home page automatically opens to the page displaying the work activities of all workers employed at the Location.

The screenshot shows the homepage of the 'Agenzija Support - Fleur De Lys' system. On the left is a side menu with the following items: MAIN, Location informations, Plannings (highlighted), Workers, Disciplinary reports, Incident/accident reports, and Logout. The main content area is titled 'Plannings of all workers' and includes a 'Download all attendance sheets' button. Below this are filters for 'Select mo.' (July), 'Select year' (2025), and 'Select job type' (All jobs), along with a 'Filter plannings' button and a 'Gen. all missing att. sheets' button. A table displays the following data:

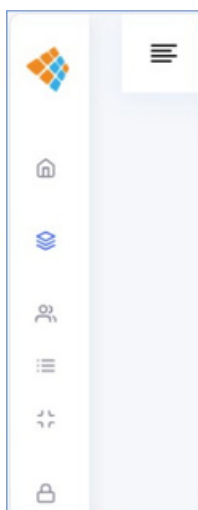

Name	Last Name	Job type	Start	End	Attendance sheets	Gen.att.sheet
ANTHONY	MALLIA	Handy person	01/07/2025	31/07/2025		
PAUL	MERCIECA	Cleaner	01/07/2025	31/07/2025		

At the bottom of the table, it says 'Items per page: 20' and '1 - 2 of 2' with navigation arrows. The footer of the page reads '© District Operations LTD'.

On the left of the page there is always a side menu with the following items:

The side menu is located on the left side of the page. It features the 'Agenzija Support - Fleur De Lys' logo at the top, followed by a hamburger menu icon. The menu items are: MAIN, Location informations (highlighted with a blue bar), Plannings, Workers, Disciplinary reports (with a right arrow), Incident/accident reports (with a right arrow), and Logout (with a door icon).

- Location Information
- Plannings
- Disciplinary Reports
- Incident/accident Reports
- Logout

Using the icon you can reduce the left menu to have more viewing space. Selecting the icon again will expand the menu again.

2.1 Location Information

The information page contains the Location data present in the District Operation database.

Agenzia Support - Fleur De Lys

Location information

Location name	Agenzia Support - Fleur De Lys	City	Fleur De Lys
Address			
Triq Patri G Azzopardi			
Time in	07:00:00	Time Out	16:00:00
Job Title	Manager	Head of location	Elena Bonetti
Head of location phone	2256 8000	Head of location email	jodie.vassallo.4@gov.mt

Note

If you want change one of this values, you can write email to info@waman.app

District Operations LTD

If you wish to modify this data, you must contact District Operation directly at the email address: **info@waman.app**.

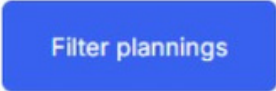

2.2 Plannings

The scheduling page shows the informations about all workers employed at the Location.

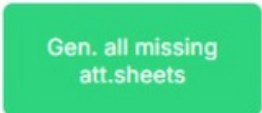

Name	Last Name	Job type	Start	End	Attendace sheets	Gen.att.sheet
ANTHONY	MALLIA	Handy person	01/07/2025	31/07/2025		
PAUL	MERCIECA	Cleaner	01/07/2025	31/07/2025		

The main buttons are as follows:

Filter plannings

Using the filters at the top, you can select Signature Sheets by month, year, and type of work performed. Once you've selected the desired parameters, click the **Filter Planning button** to obtain the desired results.

Gen. all missing
att.sheets

To generate new Signature Sheets for a month, you need to filter by month, year, and type of work performed; this button allows you to generate Signature Sheets for subsequent months.

Download all attendance sheets

This button allows you to download all the Signature Sheets of all workers for the selected month and year.

The data shown for each worker are:

- **Name** : name of the worker;
- **Surname** : worker's surname;
- **Job type** : type of work the worker does;
- **Start** : date of commencement of work activity at the Location ^[1];
- **End** : end date of work activity at the Location;
- **Attendance sheets** : allows you to download the Signature Sheets relating to the desired month for each individual worker by clicking on the icon  relating to the individual worker;
- **Gen. att. sheet** : if you have selected, using the **Filter plannings button**, a month in which the Signature Sheet has not yet been produced, the icon  appears which, if selected, allows you to create the relevant Signature Sheet. At the end of the procedure, the icon will appear in the **Attendance sheets** column , and you will then be able to download the relevant Signature Sheet.

2.3 Workers

The page shows all the workers employed at the Location.

Workers								
Name	Lastname	Mobile	Email	Id card number	Employ number	Job type	Job planning	Bonus
ANTHONY	MALLIA	99225515	mallianthony66@gmail.com	71766M	237	Handy person		
PAUL	MERCIECA	99472531	skarpellu@hotmail.com	489270M	401	Cleaner		

Items per page: 20 -

1 - 2 of 2 < >

The data shown for each worker are:

- **Name** : worker's name
- **Surname** : worker's surname
- **Mobile** : worker's mobile number (if present);
- **Email** : worker's email address (if present);
- **ID card number** : identification number on the worker's identity card;
- **Employ number** : worker identification number in the JobPlus Program;
- **Job type** : type of work the worker does;
- **Job planning** : selecting the icon  takes you to the detail page explained below;
- **Bonus** : Selecting the icon  takes you to the detail page explained below.

[1] The start and end dates of work activities at the Location may vary for each individual worker.

2.3.1 Job planning

The icon  allows you to access a worker detail page, with a view of the entire current year and the possibility of downloading individual monthly Signature Sheets, or, using the Download all **attendance sheets** button , all together in ZIP format.

Workers / Planning of 2025 of ANTHONY MALLIA Download all attendance sheets

Month	Location	Entity type	Start	End	Total hours	Att.sheet	Gen.att.sheet
March	Agenzija Sapport - Fleur De Lys	Agenzija Sapport	01/03/2025	31/03/2025	9.00		
April	Agenzija Sapport - Fleur De Lys	Agenzija Sapport	01/04/2025	30/04/2025	9.00		
May	Agenzija Sapport - Fleur De Lys	Agenzija Sapport	01/05/2025	31/05/2025	9.00		
June	Agenzija Sapport - Fleur De Lys	Agenzija Sapport	01/06/2025	30/06/2025	9.00		
July	Agenzija Sapport - Fleur De Lys	Agenzija Sapport	01/07/2025	31/07/2025	9.00		
August	Agenzija Sapport - Fleur De Lys	Agenzija Sapport	01/08/2025	31/08/2025	9.00		
September	Agenzija Sapport - Fleur De Lys	Agenzija Sapport	01/09/2025	30/09/2025	9.00		
October	Agenzija Sapport - Fleur De Lys	Agenzija Sapport	01/10/2025	31/10/2025	9.00		
November	Agenzija Sapport - Fleur De Lys	Agenzija Sapport	01/11/2025	30/11/2025	9.00		
December	Agenzija Sapport - Fleur De Lys	Agenzija Sapport	01/12/2025	31/12/2025	9.00		

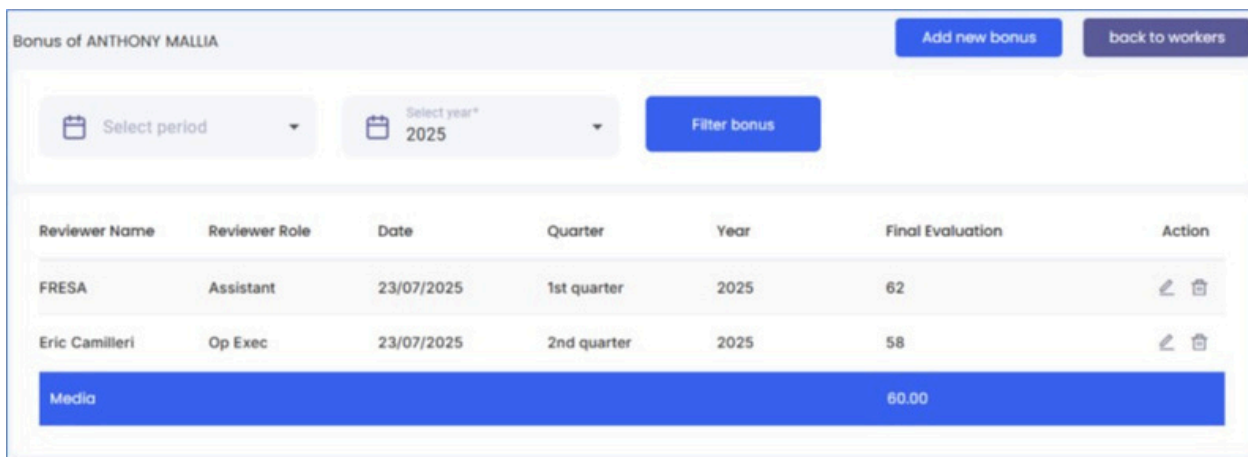

Items per page: 20 - 1 - 10 of 10 < >

NOTE: By selecting the icon,  you can create and download the monthly Signature Sheet for the individual worker.

2.3.2 Bonus

The icon  allows you to access the Worker's Bonus management page (shown at the top left of the screen), with a view of all currently uploaded assessments.

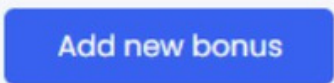

Reviewer Name	Reviewer Role	Date	Quarter	Year	Final Evaluation	Action
FRESA	Assistant	23/07/2025	1st quarter	2025	62	 
Eric Camilleri	Op Exec	23/07/2025	2nd quarter	2025	58	 
Media					60.00	

The main buttons are as follows:

Filter bonus

Using the filters at the top, you can select the reference period (1st quarter, 2nd quarter, etc.) and the reference year. Once you've selected the desired parameters, select the **Filter Bonus button** to obtain the desired results.

Add new bonus

This button allows you to add a new worker rating. Once this button is selected, an input grid will appear for the worker, which we explain in detail below.

back to workers

This button allows you to return to the list of workers at the Location.

The data shown for each worker are:

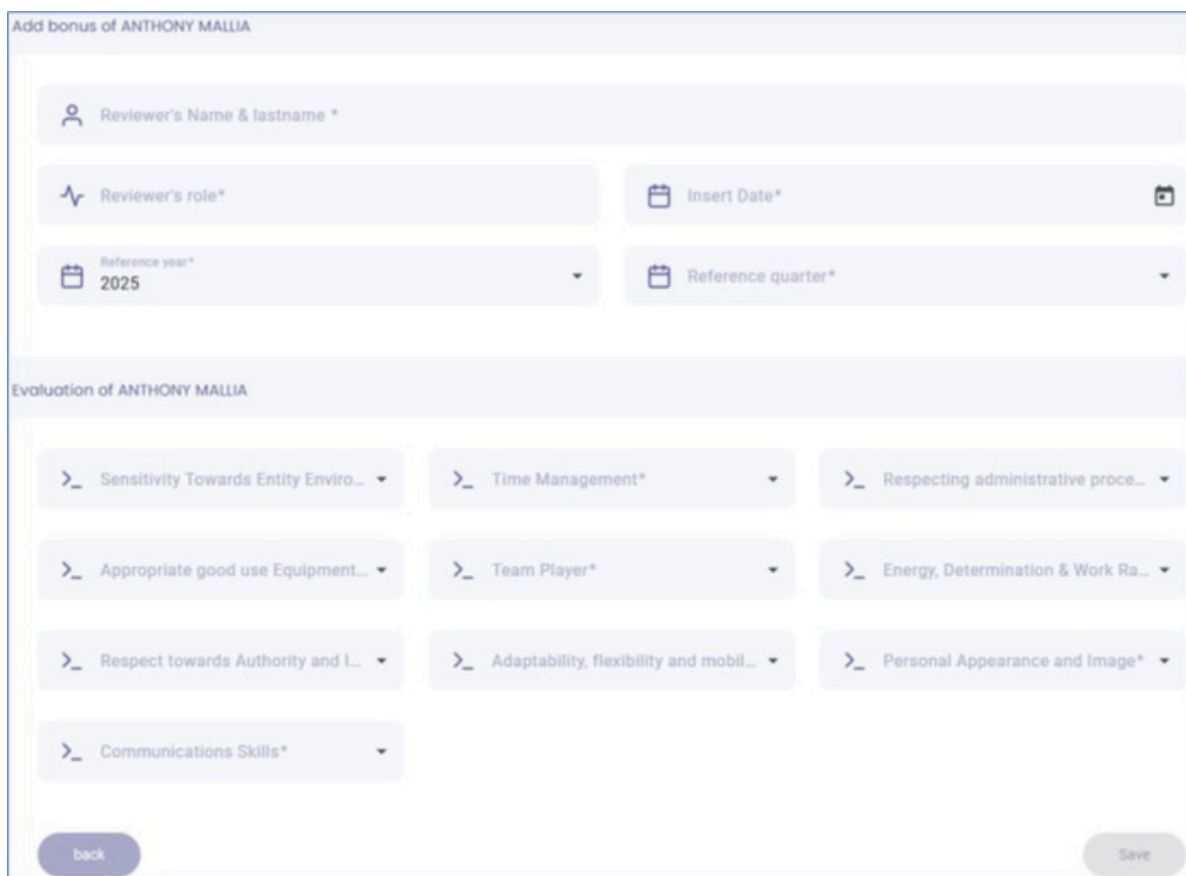

- **Reviewer Name** : name of the reviewer;
- **Reviewer Role** : role covered by the reviewer at the Location;
- **Date** : date the assessment was carried out;
- **Quarter** : evaluation reference period (1st, 2nd, 3rd or 4th quarter)
- **Year** : reference year of the evaluation;
- **Final Evaluation** : score achieved in the evaluation;

- **Action** : Shows the possible actions regarding the rating:
the icon  allows you to edit a previously given rating;
the icon  allows you to delete a previously given rating.

2.3.3 Add new Bonus

Add new Bonus button takes you to the page for entering a worker evaluation.

Add bonus of ANTHONY MALLIA

back Save

The fields to be filled in are the following:

- **Reviewer's Name & Last Name** : The reviewer's first and last name;
- **Reviewer Role** : role covered by the reviewer at the Location;
- **Insert Date** : date the evaluation was performed;
- **Reference year** : reference year of the evaluation;
- **Reference quarter** : reference period of the evaluation (1st, 2nd, 3rd or 4th quarter).

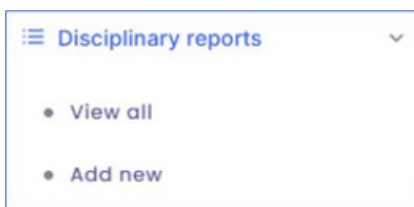

The worker evaluation fields are as follows:

- Sensitivity Towards Entity Environment;
- Time Management;
- Respecting administrative procedures;
- Appropriate good use Equipment and/or machinery/IT Equipment;
- Team Player;
- Energy, Determination & Work Rate;
- Respect towards Authority and Integrity;
- Adaptability, flexibility and mobility;
- Personal Appearance and Image;
- Communications Skills.

The values are expressed from 0 to 10 (0 = very unsatisfactory, 10 = very satisfactory).
Once you have filled in all the fields, select the **Save button** to return to the previous page.

2.4 Disciplinary reports

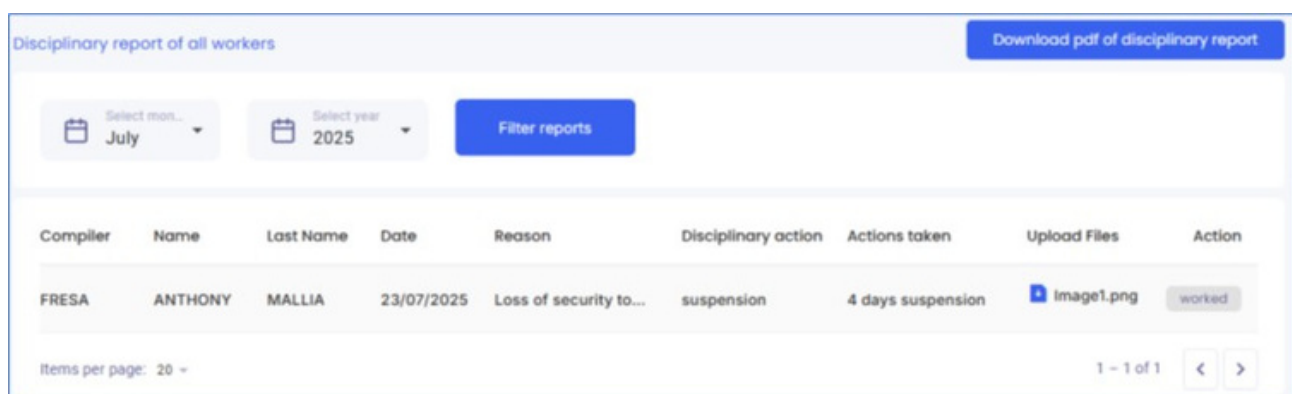

The Disciplinary Reports item, present in the side menu, contains two options:

- **View all** : allows you to view all Disciplinary Reports;
- **Add new** : allows you to insert a new Disciplinary Report.

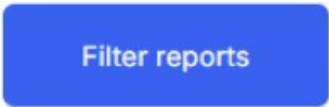

2.4.1 View all reports

The page displays all Disciplinary Reports for the indicated month and year.

The main buttons are as follows:

Filter reports

Using the filters at the top, you can select the month and year for which to view the issued Reports. Once you have selected the desired parameters, select the ***Filter Reports button*** to obtain the required results.

Download pdf of disciplinary report

The button allows you to download a document, in PDF format, with the list of all the Disciplinary Reports issued for the selected month and year.

back to workers

This button allows you to return to the list of workers at the Location.

The data shown for each worker are:

- **Compiler** : name of the compiler of the Report;
- **Name** : name of the worker;
- **Last Name** : worker's surname;
- **Date** : date of compilation of the Report;
- **Reason** : motivation for which the Report is being drawn up;
- **Disciplinary action** : type of disciplinary action determined by the District Operations administrator;
- **Actions taken** : disciplinary action taken by the District Operations administrator;
- **Upload Files** : attached documentation (Note: you can upload a maximum of 2 PDF files of 3 MB each);
- **Action** : possible actions of the compiler: modification  or  deletion
(These operations are only possible until the District Operations Administrator takes charge of the Report; once the Report has been taken charge of, the Location will no longer be able to carry out operations on it).

2.4.2 Add new report

This page allows you to upload data relating to a new Disciplinary Report.

The screenshot shows a web form titled "Add Disciplinary report". It contains several input fields and sections:

- Compiler's details section:**
 - Compiler's Name & lastname *
 - Compiler's role*
 - Compiler's id card number*
 - Compiler's email*
 - Compiler's mobile*
- Worker and disciplinary data section:**
 - Select worker* (dropdown menu)
 - Date of disciplinary event* (calendar icon)
 - Reason* (text area)
 - Disciplinary action (text area, labeled "Field used only by the administration")
 - Actions taken (text area, labeled "Field used only by the administration")
- File to upload section:**
 - Add files to uploads (Max 3 MB)

At the bottom of the form, there are two buttons: "back" and "Save".

The required data is as follows:

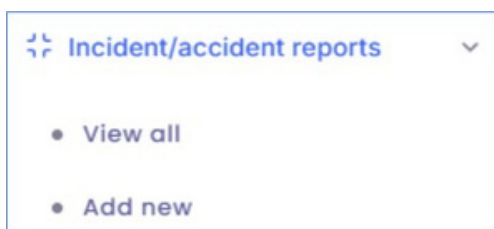

- **Compiler's name & lastname** : name and surname of the compiler of the Report;
- **Compiler's role** : role played by the compiler of the Report within the Location;
- **Compiler's ID card number** : identity card number of the person compiling the Report;
- **Compiler's email** : email address of the person compiling the Report;
- **Compiler's mobile** : mobile phone number of the person compiling the report;
- **Select worker** : worker subject to the disciplinary report (drop-down list with the names of the workers employed at the Location);

- **Date of disciplinary event** : date on which the events covered by the Report occurred;
- **Reason** : a clear and concise description of the events that led to the drafting of the Report;
- **Disciplinary action** : type of disciplinary action determined by the Administrator (Note: this field is maintained by District Operations);
- **Actions taken** : disciplinary action taken by the Administrator (Note: this field is maintained by District Operations);
- **File to upload** : attached documentation (Note: you can upload a maximum of 2 PDF files of 3 MB each)

2.5 Accident Reports

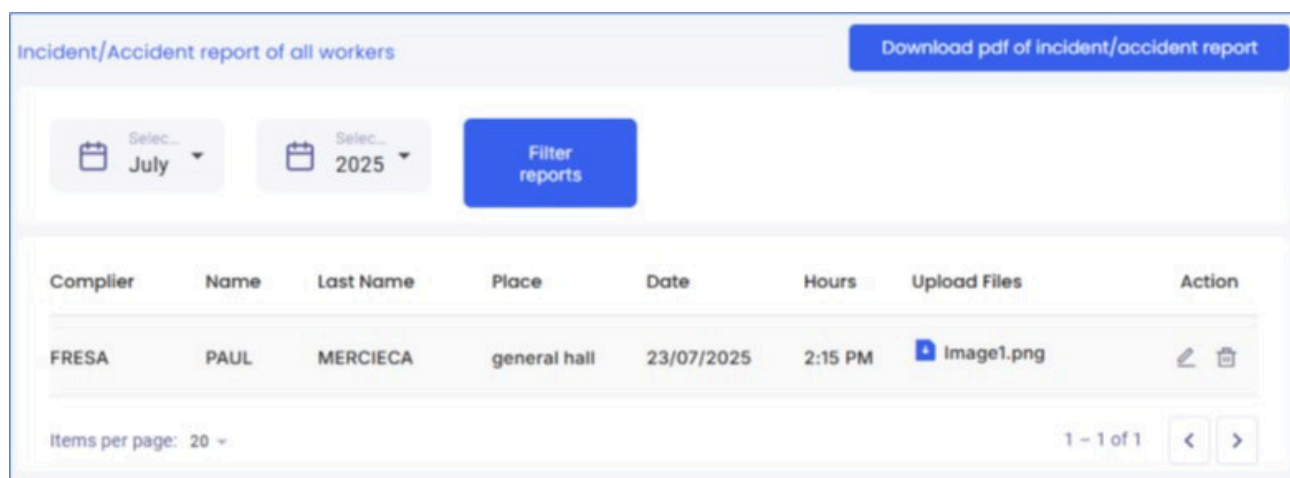

The Incident/Accident Reports entry contains two options:

- **View all** : allows you to view all Incident Reports;
- **Add new** : allows you to insert a new Incident Report.

2.5.1 View all reports

The page displays all Incident Reports for the specified month and year.

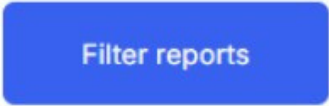

The data shown for each worker are:

- **Compiler** : name of the compiler of the Report;
- **Name** : name of the worker;
- **Last Name** : worker's surname;
- **Place** : place where the accident occurred;
- **Date** : date of compilation of the Report;
- **Hours** : time (hh:mm AM/PM) when the incident occurred;
- **Upload Files** : attached documentation (Note: you can upload a maximum of 2 PDF files of 3 MB each);
- **Action** : possible actions of the compiler: modification  or  deletion
(These operations are possible only until the District Operations Administrator takes charge of the report; once the report has been taken charge of, the Location will no longer be able to carry out operations on the Report).

The main buttons are as follows:

Filter reports

Using the filters at the top, you can select the month and year for which to view the issued Reports.
Once you have selected the desired parameters, select the **Filter Reports button** to obtain the required results.

Download pdf of incident/accident report

The button allows you to download a document, in PDF format, with the list of all Incident Reports issued for the selected month and year.

2.5.2 Add new report

This page allows you to upload data for a new Incident Report.

The data shown for each worker are:

- **Compiler's name & lastname** : name and surname of the compiler of the Report;
- **Compiler's role** : role played by the compiler of the report within the Location;
- **Compiler's ID card number** : identity card number of the person compiling the Report;
- **Compiler's email** : email address of the person compiling the Report;
- **Compiler's mobile** : mobile phone number of the person compiling the report;

- **Select worker** : worker who is the subject of the Incident Report (drop-down list with the names of the workers employed at the Location);
- **Date** : date on which the events covered by the Report took place;
- **Hours** : time the event occurred (format hh:mm AM/PM);
- **Place** : place where the accident occurred;
- **Description** : a clear and concise description of the events that led to the drafting of the Report;
- **Causes** : indication of the possible causes of the accident;
- **Observations** : observations by the Report compiler useful for a better understanding of what happened;
- **File to upload** : attached documentation (Note: you can upload a maximum of 2 PDF files of 3 MB each)

2.6 Logout

This function allows you to safely exit the restricted area.
